Organization & Industry Management

Testing Checklist

Pre-Test Setup

Current State:

- 1 existing user: andrew@test.com (SUPER_ADMIN)
- 1 existing org: vCISO.One (normalized: 'vciso one')
- 1 org domain: test.com → vCISO.One

Test Suite 1: Domain-Based Matching

Test 1.1: Corporate Domain Auto-Match (Same Domain)

Objective: Verify users with same corporate email domain join existing org

Setup - Create Account:

- Name: 'Sarah Johnson'
- Email: 'sarah@test.com'
- Organization: 'Some Other Company' (should be ignored)
- Industry: 'Healthcare'

Expected Result:

- User assigned to existing 'vCISO.One' organization
- User gets default_industry = 'Healthcare'
- User role = MEMBER

Test 1.2: Different Corporate Domain (New Org)

Setup - Create Account:

- Name: 'John Smith'
- Email: 'john@acme.com'
- Organization: 'Acme Corporation'
- Industry: 'Technology'

Expected Result:

- New 'Acme Corporation' org created
- Organization domain created: acme.com → Acme Corporation
- User gets default_industry = 'Technology'

Test Suite 2: Name Normalization Matching

Test 2.1: Free Email + Exact Name Match

Setup - Create Account:

- Name: 'Bob Wilson'
- Email: 'bob@gmail.com' (FREE EMAIL)
- Organization: 'ACME CORPORATION' (different case)
- Industry: 'Finance'

Expected Result:

- Name normalized: 'acme corporation' → Matches existing org
- User joins existing 'Acme Corporation' org
- NO new org created

Test 2.2: Free Email + Name with Legal Suffix

Setup - Create Account:

- Name: 'Alice Chen'
- Email: 'alice@yahoo.com'
- Organization: 'Acme Corporation Pty Ltd' (with suffix)
- Industry: 'Manufacturing'

Expected Result:

- Name normalized: 'acme corporation Pty Ltd' → 'acme corporation'
- Matches existing org
- NO new org created

Test 2.3: Free Email + Punctuation Variations

Setup - Create Account:

- Name: 'Maria Garcia'
- Email: 'maria@outlook.com'
- Organization: 'Acme, Corporation!' (with punctuation)
- Industry: 'Education'

Expected Result:

- Name normalized: 'acme, corporation!' → 'acme corporation'
- Matches existing org

Test Suite 3: New Organization Creation

Test 3.1: Completely New Company

Setup - Create Account:

- Name: 'Tom Anderson'
- Email: 'tom@techstart.io'
- Organization: 'TechStart Innovations'
- Industry: 'Software'

Expected Result:

- New org created: 'TechStart Innovations'
- Organization domain created: techstart.io
- Should now have 3 organizations

Test 3.2: Free Email + New Org Name

Setup - Create Account:

- Name: 'Lisa Brown'
- Email: 'lisa@hotmail.com'
- Organization: 'Global Consulting Group'
- Industry: 'Consulting'

Expected Result:

- New org created
- NO organization_domain created (free email)
- Should now have 4 organizations

Test Account Matrix

Name	Email	Org Input	Expected Org	Industry	Role
Andrew	andrew@test.com	vCISO.One	vCISO.One	Consulting	SUPER_ADMIN
Sarah	sarah@test.com	(ignored)	vCISO.One	Healthcare	MEMBER
John	john@acme.com	Acme Corp	Acme Corp	Technology	MEMBER
Bob	bob@gmail.com	ACME CORP	Acme Corp	Finance	MEMBER
Alice	alice@yahoo.com	Acme Corp Pty Ltd	Acme Corp	Manufacturing	MEMBER
Maria	maria@outlook.com	Acme, Corp!	Acme Corp	Education	MEMBER
Tom	tom@techstart.io	TechStart	TechStart	Software	MEMBER
Lisa	lisa@hotmail.com	Global Consulting	Global Consulting	Consulting	MEMBER

Expected Final State

Organizations: 4

1. vCISO.One (2 users)
2. Acme Corporation (4 users)
3. TechStart Innovations (1 user)
4. Global Consulting Group (1 user)

Organization Domains: 3

1. test.com → vCISO.One
2. acme.com → Acme Corporation
3. techstart.io → TechStart Innovations

Users: 8 total
